Free Cross Stitch Patterns

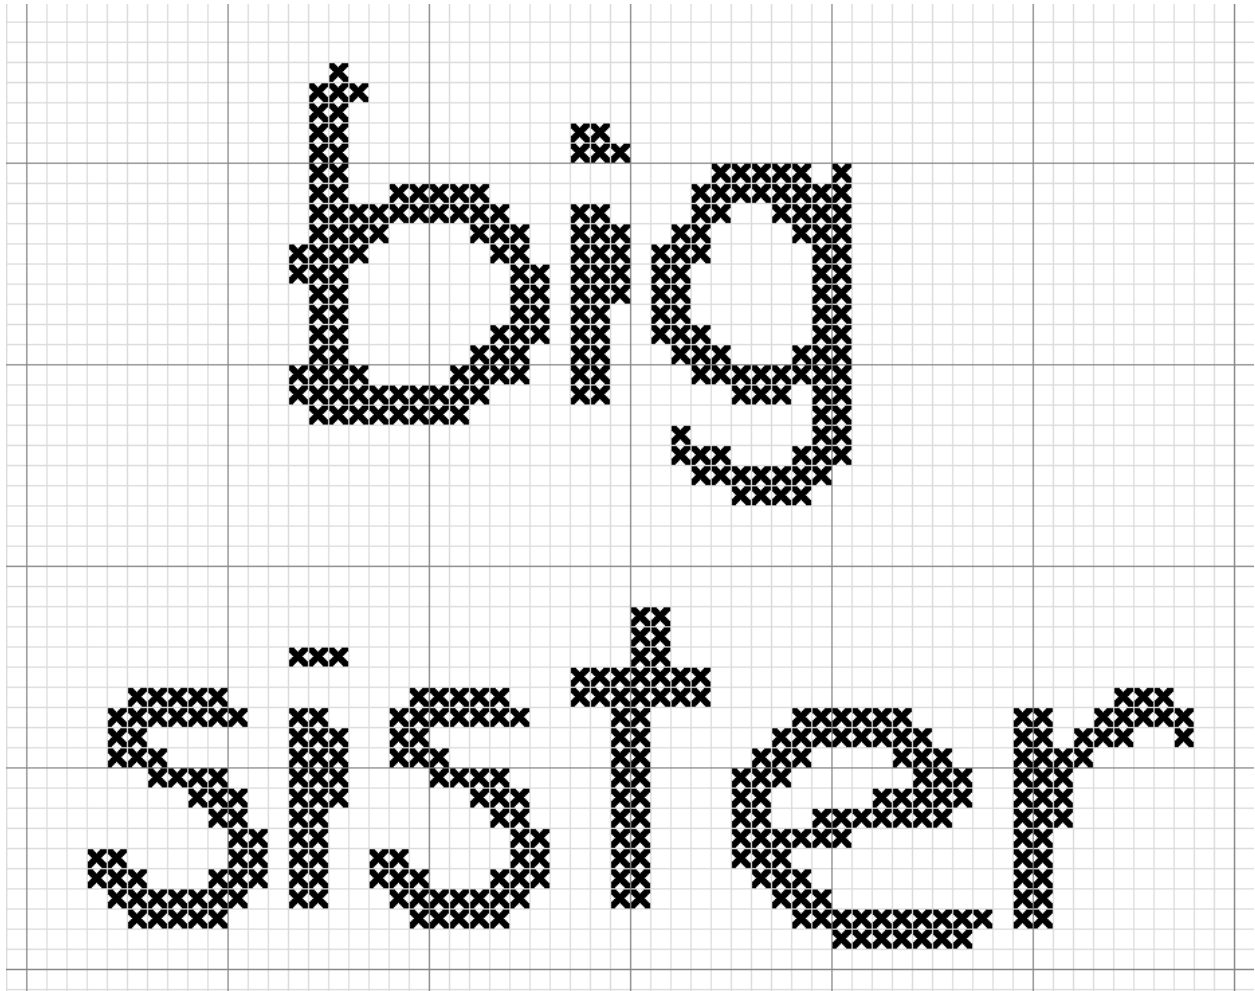

from Loretta Oliver at

You can use any color or combination of colors for these two charts, mix it up and make it colorful, use an overdyed floss, or make it all one color.. It's a great way to use up all those little bits of leftover floss and create a fun gift for the new big brother or big sister. 😊

**This is a FREE cross stitch pattern  
and you are free to share it with a friend.**

In fact, I actually encourage you to do so. You can attach this PDF to an email and send it, you can print the file out and take copies to your friends at stitch night, or you can simply give friends the link in your address bar so they can download a copy for themselves.

**Note to shop owners:** If you would like multiple copies of any of the free cross stitch patterns available at Stitching the Night Away I would be happy to handle the print run for you. Please send an email to [loretta@stitchingthenightaway.com](mailto:loretta@stitchingthenightaway.com) with your request and I can have a package sent to your address. Include in your email which pattern you would like, your snail mail address, and the best way for me to reach you.

***Happy Stitching!***

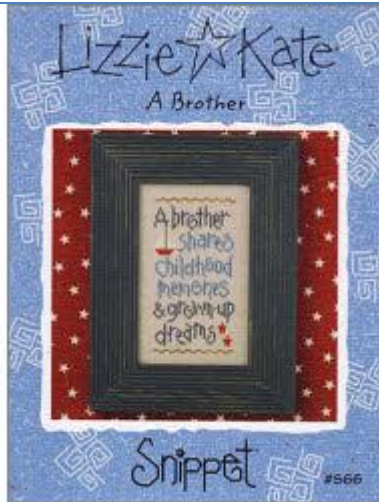

Kind regards,

*Loretta Oliver*
