#### Stitch Count: 30w x 120h

This is a fun with everything pattern. You choose the fabric, the threads, and have some fun with the stitching! You can use scraps of leftover threads from other projects, you can use an overdyed thread, you can try something new if you want. Some of these are considered specialty stitches, but feel free to wing it if you're just trying them out for the first time.

Want to figure out how big your fabric needs to be to stitch this piece?

# This is a FREE cross stitch pattern

## and you are free to share it with a friend.

In fact, I actually encourage you to do so. You can attach this PDF to an email and send it, you can print the file out and take copies to your friends at stitch night, or you can simply give friends the link in your address bar so they can download their own copy.

Happy Stitching!

Loretta Öliver

## This pattern was also made free by...

Your child *loves* to get his/her very own mail! And you really want to see your children learning to love and *enjoy* reading.

# A fun package from My Very Own Mail can help you with *both* of these things!

#### Mrs. Lisa will write a personalized letter to your child about one book and how funny it is...

#### or how silly it is...

or how interesting it is...

helping your child to see just how *wonderful* the world of reading can be!!

Also included with the letter are fun kid's crafts and cool surprises! Each craft and surprise is coordinated with the general theme of the book discussed in your child's letter.

Each 'My Very Own Mail' package comes with:

A **Personalized Letter**, in which Mrs. Lisa tells them about a great book!

An **Easy Craft Project** that coordinates with the theme of the book.

**Cool Stickers or Tattoos** that also go with theme of the book.

You can <u>order</u> a single package for a birthday or special event, a three month subscription, or a yearly subscription to fit your child's needs.
