This Pattern was Made Free to You by American Dream Products

The world's finest hand crafted frames & stands are within your grasp.

A unique lap stand created by American Dream Products the [E-Z Stitch® Lap Stand](#) is hand-made from solid American Red Oak hardwood and hand-finished with a beautiful Golden Oak oil stain. The **E-Z Stitch® Lap Stand** is versatile, attractive, and very easy to use. It fully eliminates fatigue and cramping of the hands from holding stitchery frames. Both hands are free to stitch. Extremely comfortable and fun to stitch on! Fully adjustable scroll frame swings straight up to tie off the back side of your project.

FEATURES & BENEFITS of the E-Z STITCH® LAP STAND

- Hands-free stitching.
- Scroll Frame swings straight up to allow access to the back for tying off your thread.
- Assembles in minutes without any tools required.
- Hand-made from solid American Oak hardwood.
- When used in conjunction with optional longer adapter bars, the E-Z Stitch® Lap Stand is able to accommodate up to 30" Scroll Rods.

Expect to experience many years of enjoyment with this true heirloom quality lap stand. The sturdy frame is fashioned from solid American Red Oak with a main support pillar measuring 1" thick! The **E-Z Stitch® Lap Stand** assembles in minutes without any tools required.

This versatile needlework stand works, whether your passion is cross-stitch, needlepoint, crewel, embroidery, or quilting.

Our [E-Z Stitch® Needlework Frames](#) are an industry standard available in a dazzling array of sizes by combining [Scroll Rods](#) widths from 6" to 60" and [Extender Bars](#) from 6" to 24". Our frames provide an attractive backdrop while your piece is in progress as well as being very durable and easy to take with you for travel.

Scroll Rods are available in two attachment styles, webbing (basting) or [E-Z Stitch® No Basting System](#) (Velcro) (shown in image to the left).

With the **E-Z Stitch® No Basting System** your fabric attaches to the scroll rods instantly on contact. You also have the ability to remove and reattach faster than you can blink an eye!
