You could reasonably stitch this in **any three colors you choose**, you don't have to use the colors I charted mine with. You could also stitch many of these as a grouping, sort of like mini quilt blocks, or even add them to a "charm" style set of quilt blocks (you know, those fun scrappy quilts with 2inch blocks for the entire quilt. **Another fun idea is to stitch words in the center, like the fun Sweetart valentine candies we all love so much!**
