<http://www.stitchingthenightaway.com>

Stitch Count: 90w X 80h -- Finished Design is approximately 6.45 x 6 inches

Grey highlighted areas are repeat of pattern from previous section – for placement.

This design was created so that you can use any color, which is why there is no legend or floss key. Choose your favorite color, grab an over-dyed floss, or use up some threads that you might have left over from other projects. Whatever you decide will be beautiful!
