## This Pattern Was Made Free For You By:

**Camp Cross Stitch is all about two of my favorite things – Cross Stitching and Camping!** And, like my banner says .. “I’ve been known to take a detour or two” ... so there are some beach patterns as well.

I design the patterns myself and cross stitch them before putting them on my site available for sale. That way you get to see the finished product and I know everything “works” with the design key.

**Every design is available as a kit or a pattern and can also be purchased as a PDF file with no shipping charges.**

I hope you’ll check my site out and sign up for my mailing list! I’ll e-mail you when I add new products and designs.

I plan on added supplies in the near future. If there is something you’re looking for, please let me know! I’d love to hear from you and find out what the cross stitch community is looking for!

One of the most popular designs – “[Home is by the Campfire](#),” I just added a [Pop-Up Camper](#) too!
