A semicolon is used when an author could've ended a sentence but chose not to.  
You are the author and the sentence is your life.

## Need to calculate fabric size for the project?

**Please use and share our fabric calculator tool** – we have the web based version plus a variety of mobile apps available on different platforms so you can take it with you on the go!

If you're using the mobile app, don't forget to give it a star rating or a review, having user ratings in the different stores helps other people find the app.
